Robbie Mair of Simply Bathrooms has been known to us for over 5 years and during this time has had numerous highly satisfied customers for whom he has produced excellent bathroom and other renovations.

When we decided to renovate our own Fyshwick showroom we entrusted it to Robbie and his team and the result is acknowledged as one of the best Beaumont Tiles showrooms in Australia and certainly of any tile distributor in the ACT, a credit to his workmanship and professionalism.

We have no qualms in recommending him if you are wishing to undertake the renovation of a bathroom, kitchen, family or other room.
